

### FEATURES

- DIN Rail Mounting Accessory
- Allows easy installation for the Sonoff switches to a switchboard.
- Work with most Sonoff products, including Sonoff Basic, Sonoff RF, Sonoff Pow, Sonoff TH10/16, Sonoff Dual, Sonoff G1
- DR has a blue part, which allows you push to fix the switch to DIN rail or pull to take it down
- Fire-Retardant ABS with a fire rating of V0
- 4x M3 Screws (Included)

Install the switch on the tray with screws

Then mount it on the DIN rail until secure
