PRODUCT DESCRIPTION

Plastic industrial keyboard with function keys and integrated touchpad. The DX-87F-TP has a rugged plastic keyboard with function keys with touchpad. It has 87 full travel keys, made of PC+ABS and IP65 compliance. Besides the excellent tactile key feedback that all common office-grade keyboards have, this plastic keyboard has robust case and keys, which are made of PC+ABS, this feature sets it apart from other office-grade plastic keyboards, it is specially designed for the application in harsh environment but excellent tactile key feedback is still maintained

Certification : CE, FCC
