Improved Design and Performance

2.5X Battery Life
5 years battery life

Larger Button Area

External Pairing Button

Easier to Install and Remove the Battery

Install Anywhere
Can lay flat or stick to any surface

*The battery life data is a theoretical value, obtained from SONOFF's internal laboratory under a specific test environment(10 keystrokes/hour, pairing once a month). Actual use may vary slightly due to product differences, firmware software versions, operating conditions, and environmental factors. Please refer to the actual use.
