Extended Battery Life

Using CR2477 battery extends the battery life to over 5 years, eliminating concerns about frequent battery replacements.

5 YEARS

CR2477
+
Omnergy
Lithium Cell
3V

*The battery life is a theoretical value obtained through internal laboratory testing by SONOFF, with a test environment of 25 ℃, connected to the SONOFF gateway, and triggered 50 times a day. Actual battery life may vary depending on usage.

The Guardian of House
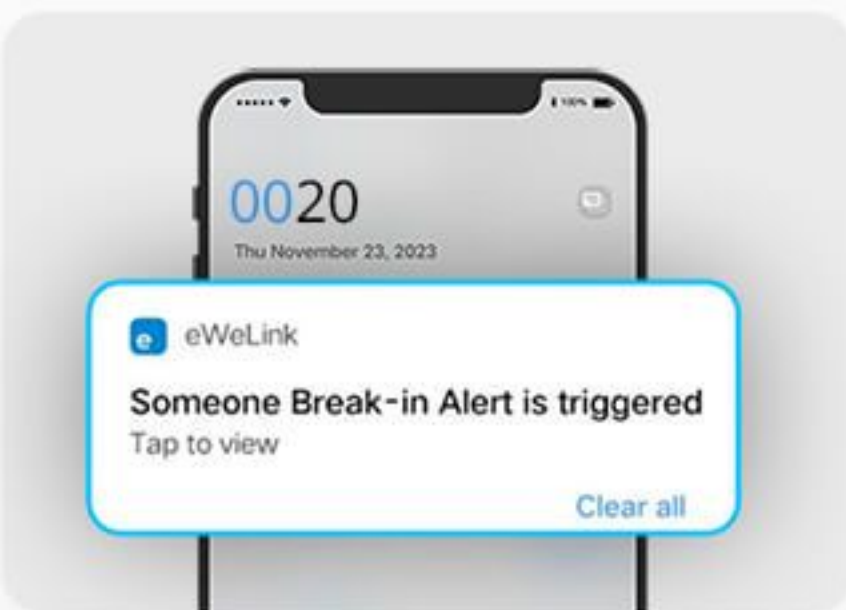

Receive App notifications when the door is opened at night, no matter where you are.
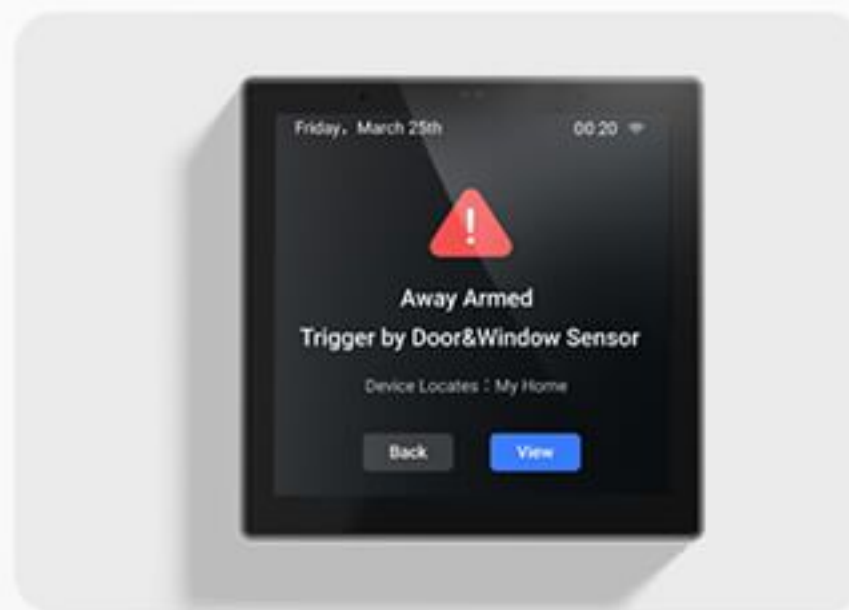

Trigger NSPanel Pro to make an alarm.

Trigger cam slim to record a video and save it in an SD card or cloud.

Tamper Alert

Equipped with tamper-proof features ensures your peace of mind.

Receive App notifications on your phone if the sensor is tampered with.
